Risk Assessments

Presented by Brian Dowsett
Senior Risk Management Consultant
Zurich Insurance

Clear risk management is important to a Council to ensure that all staff and electors are free or at low risk from harm from any hazard the Council may be responsible for. This seminar takes you through the process of risk management and writing your risk assessment.

Wednesday 12th March, 2008
9.30am to 12.00 pm

The Manor House
Abbots Langley

£20 per delegate

Booking Form overleaf or contact HAPTC at:
